

# BlueDental Choice and BlueDental Choice Plus Plans

## National Dental Network

Congratulations! Your Employer has chosen to offer you a Florida Combined Life (FCL) Insurance Company, Inc. dental insurance policy with benefits among the best available! As a BlueDental Choice group member, you will experience significant savings when you obtain your dental care through a participating in-network\* dentist. You can benefit from fees with average savings ranging from 20 to 40% below usual charges!

In addition, FCL has an agreement with DenteMax Corp., a network manager with one of the largest nationwide PPO networks. This provides BlueDental Choice or BlueDental Choice Plus group members the option of receiving quality dental care nationwide. So, if you reside or travel outside the state of Florida, you can visit an in-network dentist and potentially enjoy savings on services associated with in-network care.
